## GENERAL INFORMATION

The U.S. Army ROTC Green to Gold Active Duty Option Program provides leadership training to highly qualified and motivated Regular Army Active Duty *enlisted* Soldiers while providing an opportunity to complete a Baccalaureate or first Master's degree and commission as Army officers upon receiving the appropriate degree. The program is limited to a maximum of 200 selections per mission set.

Soldiers are identified for this opportunity by their chain of command. Support must be maintained throughout the entire application and selection process. The files are presented before a board of officers, for selection, at Headquarters, Cadet Command. Soldiers must meet basic eligibility requirements, including time in service, age, and medical qualification by the Department of Defense Medical Examination Review Board (DODMERB). Beyond basic eligibility requirements, the board members look for the traits the Army desires in its officer corps, including scholastic aptitude, physical fitness and demonstrated leadership potential.

This two-year program allows Soldiers to enter the ROTC program as academic Junior's or first year/first term students in a 2 year Master's program. Applicants are required to graduate within 21 months. Only under unique circumstances and approval by HQCC may this be extended up to 24 months. Soldiers who are selected to participate in this program will continue to receive their current pay and allowances while in the program (up to 21 consecutive months or a maximum of 24 consecutive months, if an extension is approved by HQCC).

Soldiers selected will not be credited with enlisted service as an officer for the period covered by this advanced training, third and fourth year of SROTC courses, other than any period of enlisted service performed on or after 1 August 1979 as a member of the Selected Reserve, IAW UP 10 U.S.C. 2106.

Soldiers selected are responsible for their educational expenses; e.g., tuition, books, and fees. They may receive any portion of the Montgomery GI Bill/Army College Fund benefits they have earned since entering into the military. However, IAW Department of Defense Directive 1322.8, Soldiers selected to participate in this program will not be authorized to use tuition assistance. NOTE: MGIB payments for Soldiers on active duty may have limitations; therefore it is important to contact the Department of Veterans Affairs for specific entitlements.

For further information regarding eligibility for Montgomery GI Bill/Army College Fund, contact an education counselor at the installation's Education Center or visit the Department of Veterans Affairs website at <http://www.va.gov> or call 1-888-442-4551. The important point is to ensure there is full understanding of the benefits before making any decision.

Any course of study leading to a Baccalaureate or Master's degree listed on page A-7 – A-11 may be pursued. Participation in campus/community activity is authorized as long as it does not interfere with academic or ROTC requirements.

In addition to normal studies, Cadets must successfully complete the prescribed Military Science courses, professional military education subjects, the Cadet Leadership Course (CLC) (normally between Junior and Senior years), and any other training that may be prescribed by the Secretary of the Army as a requirement for commissioning. Upon commissioning, the officer will be assigned to the Active Component. **Reserve Component and Educational Delay is not authorized.**

Soldiers who are selected for the program will receive normal PCS entitlements, IAW existing travel regulations.

The physical qualification process normally takes DODMERB anywhere from 6-8 weeks from start to finish. Any remedial or follow-up required by DODMERB should be accomplished prior to announcement of selections. Applicants can monitor their medical status by logging into the DODMERB website at <https://dodmerb.tricare.osd.mil>, once there click on "Applicants: click here to create an account" (NOTE: Soldiers MUST be medically qualified by 15 July of the year of the award or must request to be deferred until the following semester.) If applicants received college credit by means of the USAFI or CLEP tests, official results of such tests must also be furnished to this headquarters. College Grade Reports are not transcripts and are unacceptable. Transcripts that appear in languages other than English must be translated prior to submission. No transfers are authorized once the Soldier starts the program.

Evaluation should include course number and title, course grade, credit hours attempted and earned toward the degree pursuing and grade point average if available. (NOTE: Some university systems may accept transfer credit for placement purposes and still require additional evaluation by the department awarding the degree. This may change the applicant's academic status)

The courses should be listed by course number and title, course grade, credit hours attempted and earned toward the degree being pursued. **APPENDIX D**  
**Specialized Training Service Obligation (TSO) Calculation**

First term Soldiers and any re-classified Soldiers must calculate the AIT service obligation. Any waiver submitted by first term or re-classified Soldiers will include the AIT calculation regardless of whether this service obligation has already been met. Soldiers on their second or subsequent enlistment, who have not attended an additional AIT, will calculate only the most recent service obligations for specialized training.

1. AIT: MOS: \_\_\_\_\_

a. # of months service obligation: \_\_\_\_\_ (AR 614-200, Table 4-1)

b. Discharge Date Requested: \_\_\_\_\_ (yy/mm)

    Date Completed/Graduated AIT: \_\_\_\_\_ (yy/mm)

    # of months since AIT: \_\_\_\_\_

c. # of months since AIT:

> # of months service obligation for AIT training, therefore AIT requirement met

    OR

< # of months service obligation for AIT training, therefore request waiver of  
    \_\_\_\_\_ months

2. Most recent service obligation for additional specialized training:

Skill Identifier (ASI or SQI): \_\_\_\_\_

a. # of months service obligation: \_\_\_\_\_ (AR 614-200, Table 4-1)

b. Discharge Date Requested: \_\_\_\_\_ (yy/mm)

    Date Completed ASI/SQI course: \_\_\_\_\_ (yy/mm)

    # of months since ASI/SQI course: \_\_\_\_\_

c. # of months since ASI/SQI:

> # of months TSO for ASI/SQI training, therefore requirement met

    OR

< # of months TSO for ASI/SQI training, therefore request TSO waiver of  
    \_\_\_\_\_ months

Note: the most recent service obligation for specialized training may not be based on the most recent course attended. Longer duration ASI/SQI courses may have service obligations that override a shorter but more recent course. Calculate all recent courses to determine any required waivers.

## AFFIDAVIT FORMAT/SAMPLE

I, John P. Penny, do solemnly swear this statement of my record of conviction(s) and of the circumstances surrounding said conviction(s) is true and accurate to the best of my knowledge and belief, and that I have not been convicted of any violation(s) other than a minor traffic violation(s) or those as reported below:

**DATE OF OFFENSE(S):** 31 Aug 1999

**OFFENSE(S):** Minor in possession/driving under the influence

**SENTENCE(S):** \$475.00 fine; \$72.50 Court Costs; and mandatory nine (9) weeks alcohol awareness class.

**STATEMENT OF FACTS:**

On the evening of 31 Aug 1999, three teammates from our high school football team and I were invited to a graduation party at the house of a mutual friend. We drove in my car to the party and arrived at about 10:00 PM. When we got there we found that there must have been 70 to 80 students from our high school there. Our friends' parents were out of town. Everyone seemed to be having a good time and some of the graduating seniors who looked older used some fake ID to get a couple of kegs of beer. Though my teammates and I knew better, we decided to go ahead and each had a couple of beers. We thought we'd just hang around for a little bit and then leave.

The party started to get really loud about 11:30 PM and my friends and I thought it might be a good idea to leave. We each had a beer in our hand. Just about then we saw police car lights flashing through the living room windows. I said that we'd better get out of the house through the back door. If we were caught it meant that we'd be kicked off the team and placed on suspension from school. We ran out the back door and went around the corner to where my car was parked. We didn't think to throw the beers away but threw the can down on the floor of the back seat and half covered them with a jacket. In my hurry to leave, I squealed my tires. That must have gotten the attention of one of the police officers as we were met two blocks away by another police car that stopped us. I was told by the officer to get out of the car. When I was standing behind the car, the officer shined his flashlight into the car and saw the beers. He then told my friends to get out of the car. We were taken in police cars to the police station. I was given a Breathalyzer test, which registered 0.10 BAC. I was charged with driving under the influence and with being a minor in possession of alcohol. My teammates were also charged with minor in possession. They charged approximately 75 students with various offenses at the party, which included most of the senior class, some juniors, and a few sophomores.

Due to the backlog created my case was not heard by a judge until June 2001. I pled guilty and was given the fine stated in above as well as having to pay court costs and attend a nine-week class. The fine and court costs were paid on 18 June 2001 and I completed class on 9 October 2001. Additionally, I was required to sit out the 1991 football season and was placed on probation by the school superintendent for one term. My past record of school activities was taken into account and I allowed to come back to the football team.

I certify that the above statement was duly taken and subscribed in my presence at Pomfret, Oregon this (date) day of (MM/YY).
